What is a Long-Term Property?

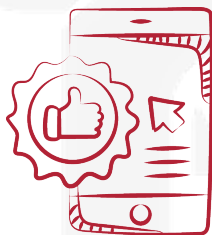

A Long-Term property is a property secured at low cost, renovated and placed on the market to rent that provides steady long-term passive income.

Why Invest in a Long-Term Property?

Long-Term Properties are ideal for their opportunity to provide long-term passive income.

Long-Term Property

Our specialized Operations Team functions at peak efficiency to deliver you a wealth building Long-Term Property. We take care of all the details for you including:

Tenant Placement

We will ensure all permits, inspections, and other mandatory services are in place.

Rent Collection

We ensure that the property is protected at all time with insurance, ensure bills are paid and taxes are settled.

Maintenance & Upkeep

We ensure that your asset is always protected, and that we add the highest value for the most efficient cost.

Why Invest With Us?

Our unique service model supports you throughout your investment journey, from finding the right asset(s) for you, through to realizing short-term return on investment for you.

We take care of all the paperwork, funds transfer etc during the Purchase Process.

We onboard your property, ensuring compliance to all applicable laws and regulations.

Property Management from A-Z including insurance, utilities, maintenance, permits and more.

When ready, we will help you with your exit strategy and will ensure you achieve your goals.
